

Attention

We are anticipating our H1N1 flu shipment at the end of this week. We will be scheduling appointments for flu vaccines through our shot box beginning Monday October 19th. You can call starting Friday October 16th to begin scheduling appointments. We will be offering it to our 2-3 year olds first. After we receive more shipment we will open it up to other age groups. For more information please visit Dr. Brown's website Baby411.com
